

Tecnopex produce una vasta gamma di rubinetti per lavatrici, lavastoviglie, kit da giardino e per irrigazione, rubinetti a sfera e rubinetti autopercoranti, disponibili anche con singola o doppia check valve.

Una gamma razionale e funzionale di articoli e componenti la cui efficienza ed affidabilità sono garantite sia per i componenti di produzione standard che per quelli progettati e costruiti su richiesta del cliente.

Tecnopex manufactures a wide range of washing-machine taps, dish-washer taps, garden kit taps, taps for irrigation, ball valves and self-cutting taps available also with a single or a double check valve.

It is a rational and functional range of products and components whose efficiency and reliability is assured both for standard items and for those designed and manufactured to customers' requirements.

Linea Acqua

Water Range - Ligne Eau - Wasserlinie

Tecnopex produit une vaste gamme de robinets pour machine à laver, lave vaisselle kit de jardin, et irrigation, des vannes à boisseau sphérique et des autopercuteurs disponibles aussi avec une ou deux vannes antiretours.

Une gamme rationnelle et fonctionnelle d'articles et d'accessoires dont l'efficacité et la fiabilité sont garanties aussi bien pour les pièces de production standard que pour toutes celles qui sont réalisées sur demande du client.

Die Fa. Tecnopex stellt eine große Reihe von Waschmaschinen- und Spülmaschinenarmaturen her, sowie Gartenkits und Bewässerungshähnen, und bietet ebenfalls Selbstschneidend- und Kugelhähne, sowie Hähne mit Einzel- oder mit Doppelrückflussverhinderer zur größeren Sicherheit an.

Eine rationelle und funktionsfähige Reihe von Artikeln und Zubehör deren Leistungsfähigkeit und Zuverlässigkeit sowohl für die Bestandteile normaler Erzeugung als auch für die gemäß Angaben der Kunden ausgeführten Produkte gewährleistet wird.

Chromed sandblasted cylindrical Self-cutting Tap with universal clamp Ø 10 - 16mm and spare red screw with 1 check valve

Robinet Autoperceur cylindrique chromé sablé bride universelle pour tube Ø 10 - 16 vis rouge d'escorte avec 1 vane antiretour

Zylinderselbstschneidendahn verchromt sandbestrahlt Universalklemme (Rohr Ø 10-16) mit roter Ersatzschraube und 1 Ruecklaufventil

AC PF 0013 CL

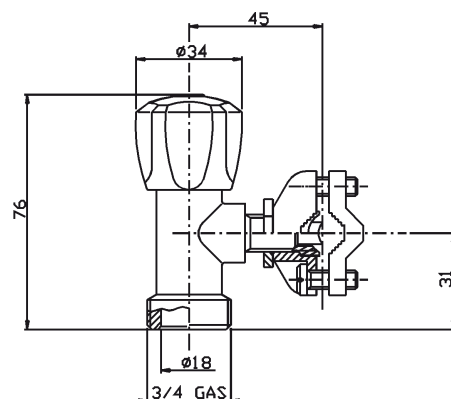

Rubinetto Autoforante cilindrico cromato con morsetto universale per tubo Ø 10 - 16 e vite rossa di scorta con 1 valvola antirisucchio

Chromed cylindrical Self-cutting Tap with universal clamp Ø 10 - 16mm and spare red screw with 1 check valve

Robinet Autoperceur cylindrique chromé bride universelle pour tube Ø 10 - 16 vis rouge d'escorte avec 1 vane antiretour

Zylinderselbstschneidendahn verchromt Universalklemme (Rohr Ø 10-16) mit roter Ersatzschraube und 1 Ruecklaufventil

AC PF 1013 CS

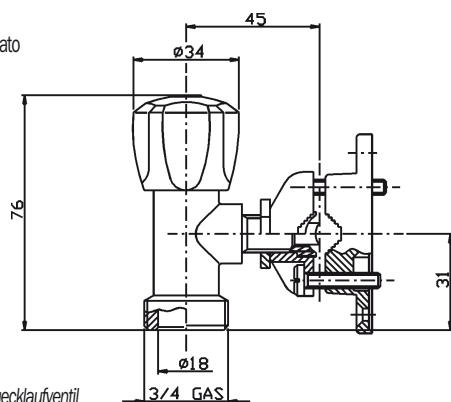

Rubinetto Autoforante cilindrico cromato sabbato morsetto a muro universale (tubo Ø 10 - 16) vite rossa 1 valvola antirisucchio

Chromed sandblasted cylindrical Self-cutting Tap wall universal clamp (Ø 10 - 16 pipes) spare red screw with 1 check valve

Robinet Autoperceur cylindrique chromé sablé bride murale universelle (tube Ø 10 - 16) vis rouge d'escorte avec 1 vane antiretour

Zylinderselbstschneidendahn verchromt sandbestrahlt universal Wandklemme (Rohr Ø 10 - 16) rote Ersatzschraube und 1 Ruecklaufventil

AC PF 1013 CSI

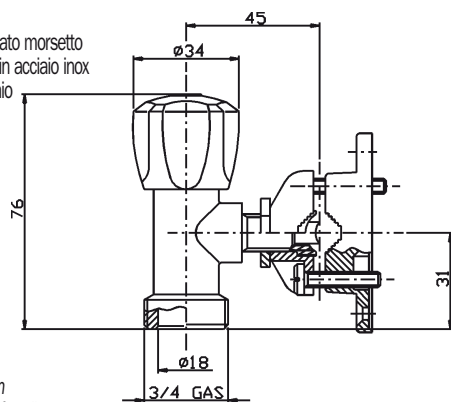

Rubinetto Autoforante cilindrico cromato sabbato morsetto a muro universale (tubo Ø 10 - 16) tagliatubo in acciaio inox e vite rossa di scorta con 1 valvola antirisucchio

Chromed sandblasted cylindrical Self-cutting Tap wall universal clamp (Ø 10 - 16 pipes) stainless steel cutter and spare red screw with 1 check valve

Robinet Autoperceur cylindrique chromé sablé avec bride murale universelle (tube Ø 10 - 16) cutter en acier inox vis rouge d'escorte avec 1 vane antiretour

Zylinderselbstschneidendahn verchromt sandbestrahlt universal Wandklemme (Rohr Ø 10-16) Rohrabschneider ausrostfreiem Stahl mit roter Ersatzschraube und 1 Ruecklaufventil

SINGLE CHECK VALVE

AC PF 0113 CS

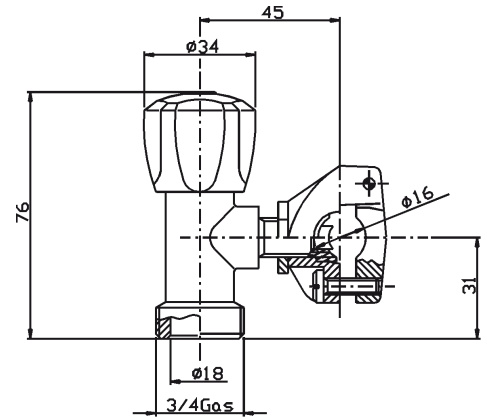

Rubinetto Autoforante cilindrico cromato sabbato morsetto per tubo Ø 15 vite rossa 1 valvola antirisucchio

Chromed sandblasted cylindrical Self-cutting Tap clamp for Ø 15mm pipes spare red screw 1 check valve

Robinet Autoperceur cylindrique chromé sablé bride pour tube Ø 15 vis rouge d'escorte 1 vane antiretour

Zylinderselbstschneidendhahn verchromt sandbestrahlt Klemme fuer Rohr Ø 15 rote Ersatzschraube und 1 Ruecklaufventil

AC PF 0113 CL

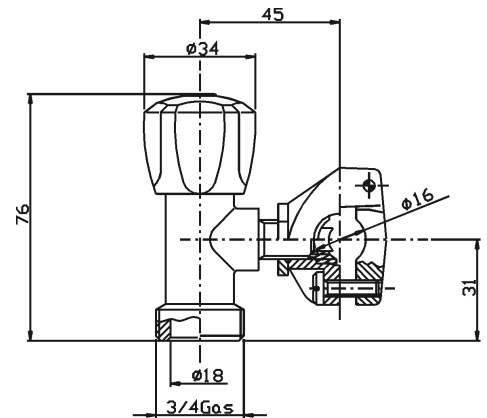

Rubinetto Autoforante cilindrico cromato morsetto per tubo Ø 15 vite rossa 1 valvola antirisucchio

Chromed cylindrical Self-cutting Tap clamp for Ø 15mm pipes spare red screw 1 check valve

Robinet Autoperceur cylindrique chromé bride pour tube Ø 15 vis rouge d'escorte 1 vane antiretour

Zylinderselbstschneidendhahn verchromt Klemme fuer Rohr Ø 15 rote Ersatzschraube und 1 Ruecklaufventil
